

The **Women's Empowerment Series** is a set of three skill-building programs. Weekly workshops are held in a supportive environment, with group discussions and interactive activities. Participants will gain skills and knowledge to move forward in their lives, while making connections with other women.

The **Women's Empowerment Series** focuses on:

- Building women's strengths and resiliency
- Strengthening personal power and self-confidence
- Promoting success in making positive change

Women's Empowerment Series: Discovering Our Power

Discovering our Power is the first program of the three-part **Women's Empowerment Series**. In **Discovering our Power**, participants will gain an understanding of difficult emotions and the affect they have on mental and physical well-being. They will identify personal strengths, learn coping strategies they can draw on in stressful situations, and build self-esteem and confidence. Using group discussions and interactive activities, participants will gain strength and knowledge to move forward while making connections with other women in a supportive environment.
