

DISCOVERING OUR POWER GROUP

Discovering our Power

is one of three group programs of the *Women's Empowerment Series*.

In this group, you will:

- gain an understanding of difficult emotions and the affect they have on your wellbeing;
- identify your personal assets;
- learn coping strategies to draw on in stressful situations; and
- build self-esteem and confidence.

Group discussions and interactive activities will help you to create connections with other women and gain strength and knowledge in a safe environment.

This is a free program
